ACTIVITIES

Design Portfolio: <https://shiportfolio2018.weebly.com/>

Blockchain@IU

September 2019 - Present

Executive Board Member

- Lead the planning and marketing for the Blockchain Consulting Event by finding speakers, coordinating with other club members, and designing and distributing a flyer advertising the event; will continue planning events in the future
- Awarded first place at Blockchain@IU's Startup Pitch Competition for presenting a startup company with the best blockchain application
 - Personally awarded the Best Speaker in the event

Finalist for the Macy's Case Competition

April 2020

- Presented a strategy—revolving around social media integration and better UI within Macy's smartphone app—to increase Gen-Z's engagement with Macy's

Indiana Daily Student

February 2020 - Present

Graphics designer

- Paid for designing newspaper pages using Adobe InDesign

Hilite Newspaper – Carmel High School

August 2016 - May 2019

Managing Editor

August 2018 - May 2019

- Supervised page editors, reporters, photographers and graphics artists, streamlining the newspaper production process; that year, our newspaper won the most consecutive Pacemaker Awards of any high school publication
- Mentored staff about elements of journalism every week in presentation format, bolstering the journalistic skillsets of my fellow staff members

EXPERIENCE

CCCI English Camp – Taiwan and China

June 2017, June 2016

Organizer and Instructor

- Lead and organized an all-day English Camp in Asia, improving the English-speaking skills of children and teens
- Adapted to the challenges of teaching high-energy children by leading fun teaching games as well as developing a classroom chant, directing the energy of the children toward learning English

Front-end Web Development

April 2020 - May 2020

- Websites created in HTML, CSS and JavaScript
 - Website built for friend: <http://pages.iu.edu/~samshi/websites/alannawu/index.html>
 - Class project: <http://pages.iu.edu/~samshi/i101/i101project.html>
